

# HOLIDAY WITH DOG

We wish you a relaxing holiday with your four-legged friend and have summarized everything you need to know here...

*Thank you very much for your consideration and help, so that humans and dogs can continue to spend a wonderful time together with us in the future!*

*Your Eder family*

## Dog alone in the room

Hang up a "Do not disturb" sign

## Room cleaning

Inform reception when the room is available for cleaning in the morning, i.e. when the dog is not in the room

## Dog towel

Available for hire at reception

## Sleeping & cuddling on the dog blanket

For soiled upholstered furniture and beds, we will charge additional cleaning fees. If your dog causes damage to furniture, you will be billed for the additional costs.

## Dog in the restaurant | on the terrace

- Please inform reception in advance
- Dog finds space under the table or under the bench

## Beach is barefoot area

- The beach is not a dog-walking area. Please ensure your dog has relieved itself before visiting the beach. Possible walking routes are marked on the overview map to the left.
- On the lawn, your dog can relax on a leash and quietly on your lounge.
- The jetty is intended exclusively for two-legged creatures (human-only).

## Hiking & dog walks

- Just behind the hotel at the shrine north of the parking lot towards the forest
- Dog walking station with poop bags at the hotel entrance
- Dogs must be kept on a leash throughout the Weissensee Nature Park
